RESERVED SEATS FOR ORATORICAL CONTEST

Reserved seats for the oratorical contest at the Kentucky theater Friday night will be on sale tomorrow. The advance sale of tickets has been good, and there is every indication that the orators from the western Kentucky high schools will face a large audience. It is reported that all of the high schools in the league will be represented by a fair representation of rosters, as the contest has been given much publicity. Considerable speculation has been indulged in as to what city will entertain the orators next year. Hopkinsville and Madisonville have held the contest, and it is thought that one of the other cities in the league will be selected for the 1911 contest.
